## **OUR PRIVILEGE**

At Restaurant Botanica we believe we are privileged to be located in Australia's oldest and most historic wine region. Restaurant Botanica is quintessentially Hunter, with our vineyard location and stunning views out to the Brokenback mountain range, we are co-located with our own luxury wine retreat, Spicers Vineyards Estate.

We have created a modern menu that reflects simplicity, fresh produce and our own kitchen garden, and pair it with a wine list offering a broad range of regional icons and international favourites. We seek opportunity to share our local knowledge with you, so please allow us to introduce you to some of our very good wine friends. Be it for a celebration, a romantic interlude, a wine focussed getaway or just a relaxing meal, Restaurant Botanica's warm hospitality, light filled interior, open fireplaces in winter are all designed to make you feel right at home.

## **A CHEF'S GARDEN**

*"To plant a garden is to believe in tomorrow"* Audrey Hepburn

Our ever growing kitchen garden provides constant inspiration for our menu and our daily lives. Planted and planned by passionate chefs, Botanica uses only heirloom seeds and follows the flow of the biodynamic calendar to present to you with fresh produce.

## **ARTISAN BREADS**

Here at Restaurant Botanica we bake fresh traditional ciabatta and sour dough breads for your enjoyment. Our owners have sourced organic stone ground flours from Demeter Farm Mill in Gunnedah, NSW. The original starter culture for our sour dough is over 150 years old and our team use only artisan techniques and natural sea salts to bring us this delicious treat every day. We serve our breads with house made burnt honey butter and Hunter Valley Shiraz infused salt.
